DON'T COMPROMISE

1 DEBIT CARD

Fast, secure, convenient access to funds using VISA and MasterCard locally and internationally.

Transactions executed at ATMs and POS are viewable within the System and reports and statement can be generated per account.

2 SURE PAY

Payments made at any SurePay outlet are automatically imported in the Emortelle System to update client accounts of participating institutions. Secure, controlled and automated; it's the easy way to pay!

Committed to Customer Satisfaction, Software Excellence & Integrity
